

## All India Study Tour (2021 Batch)

The final year students of the 2021 batch undertook an extensive and enriching All India Study Tour. A total of 129 students participated in this academic expedition, which took place over 19 days, from 9th March to 29th March 2025. Throughout the tour, students visited 17 renowned institutes and organizations across various states in India, gaining valuable insights into diverse agricultural practices, cutting-edge technologies, and institutional operations. The itinerary spanned several key regions, including Karnataka (Bangalore), Telangana, New Delhi, Uttarakhand, and Chandigarh, among others. This tour served as a pivotal experience in the students' academic journey, offering practical exposure, professional growth, and unforgettable memories.
