

STUDY TOURS

STUDY TOUR – 2020 BATCH

The AGR 202 study tour was organized from 27.06.2022 to 03.07.2022 for MTCA students with the aim of providing hands-on exposure to agricultural research, extension, and agribusiness institutions across Tamil Nadu. As part of the tour, students visited prominent centers including the National Institute of Food Technology, Thanjavur; Tamil Nadu Rice Research Institute, Aduthurai; ICAR–SCAD Krishi Vigyan Kendra, Thoothukudi; Agriculture College and Research Institute, Killikulam; Floriculture Research Station, Thovalai; Agricultural Research Station, Thirupathisaram; RVS Krishi Vigyan Kendra, Tenkasi; Cotton Research Station, Srivilliputhur; Regional Research Station, Aruppukottai; Agriculture College and Research Institute, Madurai; NABARD–Madurai Agribusiness Incubation Forum; and Horticulture Research Station, Kodaikanal. The tour provided valuable insights into modern crop production practices, research techniques, extension activities, food processing, and agribusiness development, thereby strengthening the students’ practical understanding and reinforcing the theoretical concepts covered in AGR 202.
