

STUDY TOUR REPORT – 2025 BATCH

The 2025 batch study tour, held from 03.11.2025 to 06.11.2025, provided students practical exposure to key agricultural research, education, and agribusiness institutions in Tamil Nadu. Visits included TRRI Aduthurai, NIFTEM Thanjavur, ARS Kattuthottam, NRPC Vamban, IMTI and NRCB Trichy, ADAC&RI and Horticultural College for Women, VC&RI Namakkal, ARS Bhavanisagar, and several TNAU and ICAR centers in Coimbatore. The tour concluded at the Horticultural Research Station and UPASI Tea Research Foundation, Ooty. It enhanced students' knowledge in crop improvement, irrigation, mechanization, agribusiness, and horticulture, effectively linking theory with practical experience.
