

Name	Dr. J. Johnny Subakar Ivin	
Qualification	M.Sc. Agri., Ph.D. in Plant Molecular Biology and Biotechnology	
Year of Experience	-	
Specialization	Plant cell and Tissue culture, DNA Barcoding, Plant Molecular Biology, Molecular Markers <i>ie.</i> , RAPD, RFLP, ISSR and SSR, Quantitative Trait Loci.	
Area of Exposure	Isolation and Quantification of DNA, RNA and Protein, PCR analysis and RT – PCR.	
Area of Research	Characterization of rice (<i>Oryza sativa</i> L.) Genotypes for drought tolerance and identification of mega effect quantitative trait loci (QTL _s) in F _{2:3} mapping population	
Awards	-	
Paper / Article published National / International	National: 21 International: 1 Popular article: 1
